

Safety: Learn the Lingo

The following words or phrases are associated with dangers or keeping safe in and around the home. Think about, research or discuss the meaning of each.

Challenge

Create a home safety word game. In groups of three, choose a home safety-related word or phrase (either from the list or one of your own) and come up with three definitions – the correct one and two alternatives, which should be incorrect but sound as though they could be true. Read the word/phrase and each of the three definitions to your classmates and see if they can guess which is correct!
