

!@ TRAVEL: Eco-Travel

Use fact sheet **1.3 Travel – Eco-Travel** to answer the following:

1. As a class, think about how you travel to school and how you could travel in a more eco-friendly way. Create a five-point sustainable travel plan that could be used at least one day a week by each pupil.

- a.
- b.
- c.
- d.
- e.

Why not create a poster encouraging your class and year group to adopt this eco-friendly approach?

2. Order each of the following in terms of the most eco-friendly modes of transport for a short journey to school, from 1 to 6.

Walking

Diesel fuelled car

Bicycle

Hybrid car

Train

Bus

3. Think about how sustainable your journey to school is. What are some easy steps you could take to make the journey more sustainable?

Activity 1

Discuss the benefits of cycling over other forms of transport. Research the cycle routes in your local area, identifying where they are and how long they are. How many routes would be possible to use on a weekly basis?
