# **ENVIRONMENT ISSUES: Types of Pollution** cont'd

4. List the different types of pollution and give an example of each.

.....

.....

.....

.....

.....

5. Make a list of the things you can do to reduce pollution. What could your family do? Your community? Your school? Your country?

.....

.....

.....

.....

.....

### **Activity 1**

Discuss with your classmates how pollution can affect you now and in the future.

### **Activity 2**

Create a photo collage of the effects of pollution. What other examples of land/air/water pollution can you find that were not covered in the fact sheet?
