

Festival Fun!

You and your friends are helping to organise a music festival in your local park. Musicians from lots of different towns and cities are coming to play this weekend. The money you raise at the festival will be donated to charity.

Which charity would you like to pick?

1. Your job is to sell as many tickets as possible. Here are just some of the people who have asked you for tickets.

Friday 5pm
School choir
All tickets £2

How much money do they need to give you?

- Pete wants only 1
- Sarah wants 3 tickets
- Tom wants 4 tickets
- Liz wants 8 tickets

Name	Number of tickets	Price of ticket	Total
Pete			
Sarah			
Tom			
Liz			
What is the total amount of money collected for your charity?			

2. Now change the price of the ticket to £3 or £5 and see how much money you can make for your charity
