

## The Green Cross Code

To help you cross roads safely.

### 1 Think first

Find a safe place to cross then stop.

### 2 Stop

Stand on the pavement just behind the kerb.

### 3 Use your eyes and ears

Look all around for traffic. Listen carefully.

### 4 Wait until it is safe to cross

If traffic is coming, let it pass, don't cross until it's safe.

### 5 Look and listen as you cross

When it's safe, walk straight across the road, still looking and listening while you cross.

### 6 Arrive alive

Walk, don't run, and get across safely.

**Make sure you learn the six steps of The Green Cross Code!**
