

Keeping Safe in Viking Homes

Read through the fact sheet **Keeping Safe in Viking Homes** and answer the following questions:

1. What were Viking homes made from?
2. How did Vikings do their cooking?
3. Name two materials that Vikings used to make the things they needed.
4. Name three things in a Viking home that might be sharp.
5. How did the Vikings store food?

Challenge

Can you think of three possible dangers inside a Viking house? For each one, describe what they could do in order to keep safer.
