

## No Energy

**Write a story about a day without any energy.**

- What would you do with no food or drink for a day?
- What would you do with no electricity, no heat, no hot water and no television?
- How would you travel with no cars, buses or trains?

Use these words:

**electricity**  
**stopped**

**energy**  
**hungry**

**power**  
**tired**

**movement**  
**quiet**
