

Questionnaires

Objective: To carry out a questionnaire accurately with your peers.
To turn the information from your questionnaire into data
To turn your data into bar charts and use this information
to make decisions about your concert.

Last week we discussed how to design a questionnaire.

What things did we talk about?

Which type of music would you most like to see performed at a concert?

Rock

Pop

Dance

R and B

Other

.....

please
Specify

Rock		3
Pop		9
Dance		1
R & B		4
Other		2

What is the longest length of time you think a concert should go on for?

0-119mins

120mins-
179mins

180mins-
239mins

240mins-
300mins

I don't mind
how long

length of time	Tally	Frequency
0-119		
120-179		7
180-239		7
240-300		2
I don't mind		5

	Tally	Freq
0-59		16
60-119		3
120-179		3
>180		

	Tally	Freq
0-5		2
6-10		12
11-20		7
21-50		1
>50
